

Wood Turners of Polk County March 12, 2020 Meeting Minutes

Bill Freeze called the meeting to order around 7:00 PM at the Bartow Civic Center. There were about 35 in attendance including 2 visitors.

Ted gave the treasurers report - \$ 4611 on hand at the start of the meeting, and 2 people paid their 2020 dues. The wood raffle brought in \$15.

Steve Hood agreed to replace John Kriplean as one of our club representatives on the FWS board.

Ted reported that the Honor Flight will need about 60 more pens for the late April Flight. The club signed out 40 pen kits for turning, and still need 20 more to be turned.

John Kriplean won the wood for the bring-back challenge. John Johnson brought in his walnut bowl from the February meeting bring back.

John Henry agreed to head up a sawdust session at Steve Hood's shop on March 14, the Saturday after the March meeting to talk about some of the turning techniques he uses. There were about 10 people that showed up – had a good time.
