Demonstration: Ted Smith demonstrated the turning of a natural bark sided goblet with captive ring – made from privet hedge limb.

Meeting concluded at 8:30 pm.

Note: There were no photos taken (sorry about that, but I can only do so much – Ed tried, but couldn't figure out my camera.)

May 17, 2008: Sawdust session at Al & Sherry's was great. Total of 10 attended. Al demonstrated a platter/bowl, then everyone got to work on various projects. Two new turners were tutored through the basic with several projects. The camera worked this time, and attached on next page are some photos.
