

**Wood Turners of Polk County**  
**July 13, 2006**  
**Minutes**

John Russell called the meeting to order at 7:07 PM at the Bartow Civic Center

**New member:**

Total attendance was 24.

The June minutes were approved with one correction.

Treasure's report showing the total on hand of \$1,636.34 was accepted.

Visitors were: Samuel Klatt, Gerald Avery, & Todd Benjey

**Old business:**

The raffle was won by Sherry Hockenbery.

Discussion was held as to who to bring in for training and demonstration to use the \$750 funds. John requested the member submit names next meeting. Archie Young requested approval to purchase the new 3 DVD by Jimmy Clewes. The club voted to approve the purchase.

Bob Varner and Tom will work together to produce the newsletter.

There were 6 people signed up for the saw dust session on Saturday, August 12 at Al & Sherry Hockenbery's. Al will bring map and details to next meeting. Signup fee is \$5.

John informed the club on the need to sign up early for the workshops at the next years (January 2007) Florida Woodturning Symposium (January 12, 13, & 14, 2007 at Lake Yale). The web site is: <http://www.floridawoodturningsymposium.com>.

The member roster was circulated to update phone numbers, e-mail address, etc. A new list will be available at the next meeting.

**Show and Tell:**

**Al Hockenbery** – showed his latest butterfly baseball turned from camphor. He added the baseball stitching patten with a rotary tool.

**Clif Sessions** – showed two Christmas ornaments he finished.

**John Kriplean** .showed three candle stick turned from live oak, a maple box and a camphor box trimmed with ebony.

**Ted Smith** – **showed a small vase and box turned from** local maple and a wooded mallet turned from gum. Ted noted he has a bunch of maple wood for those who wanted some.

**Floyd Knapp** – showed a 4” segmented ball turned from walnut, oak, etc. – very nice. He won the raffle.

**Bill** – showed a round mirror with frame he turned when he was 16 in school wood shop.

The meeting was adjourned at about 8:10PM, followed by the demonstration;

The demonstration was by Ron Cinquanti on using a skew.

Approved July 13, 2006
